OFFICE COMMUNICATION

Applicant should note that the examiner for this case has changed.

The reply received 10/18/06 to the restriction requirement mailed 8/23/06 is acknowledged; however, applicant has not complied fully with the restriction requirement. Within the requirement for an election of species, Examiner Lankford required that applicant elect a species from the supplements used in the media **and** provide a listing of all claims readable thereon. It is not clear which claims read on the species, since claim 10 requires supplements to be included in the media while claims 11-17 require supplements to be excluded from the media. As requested by Examiner Lankford, applicants should elect the specific supplements used in the media (or NOT included in the media) **AND** point out the claims readable thereon. **Note that a one-month period for reply to this paper has been set.**

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lora E. Barnhart whose telephone number is 571-272-1928. The examiner can normally be reached on Monday-Thursday, 9:00am - 5:30pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael G. Wityshyn can be reached on 571-272-0926. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
